*Comments:*

**“Accepted”**: team is selected for the intramural round according to the ratings (1<sup>st</sup> wave).

**“Accepted (welcome)”**: team is selected according to “Welcome rule” (please, see ‘An Approach to the Extramural Round Grading System at VI International Natural Sciences Tournament’ for more details).

**“Evaluation”**: our experts are doing their best to score the teams’ performances at the Extramural round;

**“Not Accepted”**: the team showed an excellent work through the Extramural round, unfortunately that was not enough to take part in the intramural round.
